RE: DOCKET NO. 920260-TL - STAFF RECOMMENDATION ON BELL SOUTH'S
MOTION FOR MODIFICATION OF ORDER NO. PSC-95-1391-FOF-TL

The agenda conference listing for December 5, 1995, (Item 11) indicates that a recommendation was to be filed November 29, 1995, addressing BellSouth's Motion for Modification of Order No. PSC-95-1391-FOF-TL. In that motion, BellSouth asks that the implementation date for the ECS plan approved in that Order be advanced to December 18, 1995, from the Commission approved date of January 1, 1996.

On November 28, 1995, the Florida Interexchange Carriers Association filed a Notice of Appeal and Motion for Stay of Order No. PSC-95-1391-FOF-TL. The chairman was advised of the pending requests for relief, which are mutually exclusive. Staff believes that both motions should be considered at the same time. Therefore, a recommendation will be filed for consideration at the December 19, 1995, agenda conference addressing the Motion for Modification and the Motion for Stay of Order No. PSC-95-1391-FOF-TL.
