AT&T's NOTICE OF ADOPTION OF TESTIMONY

AT&T Communications of the Southern States, Inc. (hereinafter "AT&T"), pursuant to the discussions of the Commission Staff and the parties in the above-referenced case, hereby serves its Notice of Intent to Adopt the Rebuttal Testimony of Joseph Gillan, which was filed with the Florida Public Service Commission on December 11, 1995, in Docket No. 950984-TL, Petition of Metropolitan Fiber Systems of Florida, Inc. (hereinafter "MFS"), as its rebuttal testimony with respect to the petition of MCI Metro Access Transmission Services, Inc. (hereinafter "MCImetro") which is also a part of this docket. This notice is being given in order to reduce the necessity of burdening the Commission and the parties with redundant testimony. At the consolidated hearings in this case, AT&T's rebuttal witness, Mr. Gillan, will specify that the matters contained in his direct testimony are intended to apply to both the petition of MFS and the petition of MCImetro.
