AND CLOSING DOCKET

BY THE COMMISSION:

On October 30, 1995, Springhill Regional Landfill PWS System (Springhill) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Springhill is a Waste Management Company, which is constructing a building that will be used for office space. The building and the well which will serve the building will be located at 4945 Highway 273, Graceville, Florida. Mr. William C. G. Malone, Group Vice-President of Operations, and primary contact person, filed the application on behalf of Springhill.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Springhill's application, water service is provided only to the building located at 4945 Highway 273, Graceville, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

FPSC-RECORDS/REPORTING

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Malone acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Springhill is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Springhill is not subject to this Commission's jurisdiction. However, Springhill is put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Springhill Regional Landfill PWS System, 4945 Highway 273, Graceville, Florida 32440, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 22nd day of December, 1995.
