**RE:** DOCKET NO. 951235-WS; Resolution of the Board of County Commissioners of Manatee County subject to the provision of Chapter 367, F.S. - exemption request for water and wastewater service by Jayson's Accent Plaza.

On October 10, 1995, the Manatee County Board of County Commissioners adopted Resolution No. R-95-109, pursuant to Section 367.171, Florida Statutes, declaring the privately owned water and wastewater utilities in Manatee County subject to the provisions of Chapter 367, Florida Statutes, effective October 10, 1995. The Florida Public Service Commission received Manatee County's resolution on October 17, 1995. The effect of the resolution is to invoke Public Service Commission jurisdiction over privately owned water and wastewater systems in Manatee County. Pursuant to Section 367.031, Florida Statutes, all utilities subject to the Commission's jurisdiction must obtain either a certificate to provide water and wastewater service or an order recognizing the exempt status of the system.

On December 4, 1995, Mr. Jayson Tusing filed an application on behalf of Jayson's Accent Plaza (Jayson's) for an exemption as a water and wastewater service provider from the Florida Public Service Commission under Section 367.021 (12), Florida Statutes, and Rule 25-30.060(3)(j), Florida Administrative Code as a non-jurisdictional entity. The location of the water and wastewater systems is 5310 U.S. Highway 41 North, Palmetto, Florida, 34221. The systems provide water and wastewater service for a retail store. The mailing address is the same as above. Mr. Jayson Tusing will remain as the contact person for Commission purposes. Jayson's is a retail business operating as a sole proprietorship. Water service is provided by a well. Wastewater service is provided by septic tank.

In its application, Jayson's states it provides water and wastewater service and there is no charge for providing utility service. Additionally, all costs of providing service are treated or recovered as operational expenses. The applicant acknowledged Section 837.06, Florida Statutes, regarding false statements.

Based upon the facts presented herein, staff believes Jayson's is exempt from Commission regulation as a water service provider as defined by Section 367.021(12), Florida Statutes, and Rule 25-30.060(3)(j), Florida Administrative Code. Section 2.08(C)(14) of the Administrative Procedures Manual (APM) gives staff the administrative authority to approve requests for exempt status when the application is clear-cut and without controversy.
