RE: Docket No. 950737-TP

Dear Mrs. Bayo:

This is to advise the Commission that Bellsouth Telecommunications has considered its options with regard to Order No. PSC-95-1604-FOF-TP, issued in the above captioned docket on December 28, 1995, and has decided to avail itself of the opportunity provided by the Commission to file a new cost study for remote call forwarding for number portability. BellSouth Telecommunications will not appeal this order to the Florida Supreme Court. This decision is based solely on the amount of time such an appeal would take, not on the merits of such an appeal. In other words, BellSouth Telecommunications believes that remedial action on this order will come more swiftly through the filing of a new cost study, than on reliance on a crowded court calendar.

Sincerely,

*for*
