BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Conservation Cost
Recovery Clause

)
)

Docket No. 960002-EG
Filed: January 17, 1996

**PETITION OF FLORIDA POWER & LIGHT COMPANY FOR
APPROVAL OF ITS CONSERVATION COST RECOVERY FACTORS**

Florida Power & Light Company ("FPL"), pursuant to Section 366.82(2), Florida Statutes (1995), Florida Administrative Code Rule 25-17.015, and Order No. PSC-93-0709-FOF-EG, hereby petitions the Florida Public Service Commission ("Commission") for approval of the conservation cost recovery factors shown on Appendix I, attached hereto and incorporated by reference, to be applied during the April 1996 through March 1997 period. The new factors are requested to be effective starting with meter readings scheduled to be read on or after April 1, 1996 through March 31, 1997, and to continue in effect thereafter until modified by the Commission. The grounds for this Petition are:

1. FPL's address is 9250 West Flagler Street, Miami, Florida 33174. Correspondence, notices, orders, motions and other documents concerning this petition should be sent to:

Charles A. Guyton
Steel Hector & Davis
215 South Monroe Street
Suite 601
Tallahassee, Florida 32301

William G. Walker
Vice President, Regulatory Affairs
Florida Power & Light Company
9250 West Flagler Street
Miami, Florida 33174

2. FPL is an investor-owned electric utility regulated by the Commission pursuant to Chapter 366, Florida Statutes. FPL is subject to the Florida Energy Efficiency Conservation

DOCUMENT NUMBER-DATE
00563 JAN 17 1996
FPSC-RECORDS/REPORTING

Act ("FEECA"), and its Energy Conservation Cost Recovery ("ECCR") clause is subject to the Commission's jurisdiction. By rule, Florida Administrative Code 25-17.015, and orders, Order Nos. PSC-93-0709-FOF-EG and PSC-93-1845-FOF-EG (among others), the Commission has authorized conservation cost recovery factors and set forth their calculation. FPL's substantial interest in the recovery of its conservation-related expenditures will be affected by this proceeding.

3. FPL's conservation cost recovery factors were calculated consistent with the order establishing annual conservation cost recovery factors, Order No. PSC-93-0709-FOF-EG, and the cost of service methodology set forth in Order No. PSC-93-1845-FOF-EG. The factors are designed to recover the projected conservation program expenses for the period April 1996 through March 1997 adjusted for (a) the estimated true-up for the period October 1995 through March 1996, and (b) the final conservation true-up for the period October 1994 through September 1995, as well as an interest provision for both true-ups. The calculation of these factors and the supporting documentation are contained in the prepared testimony of FPL witness Francisco A. Avello and in Exhibit FAA-2, which are being filed with and are incorporated by reference in this Petition. Exhibit FAA-2 consists of the conservation cost recovery forms that FPL and other utilities were directed to file by the Commission's Electric and Gas Department memorandum dated June 17, 1982.

4. FPL projects total conservation program costs, net of all program revenues, of \$163,873,397 for the period April 1996 through March 1997. The net true-up is an overrecovery of \$15,281,710, which includes the final conservation true-up overrecovery for October 1994 through September 1995 of \$5,400,404 that was reported in FPL's Schedule CT-1 filed

November 17, 1995. Decreasing the projected costs of \$163,873,397 by the net true-up overrecovery of \$15,281,710 results in a total of \$148,591,687 of conservation costs (plus applicable taxes) to be recovered during the April 1996 through March 1997 period.

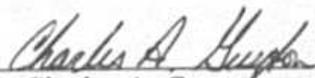

5. FPL is not aware of any disputed issues of fact. The Commission should approve the Conservation Cost Recovery factors shown on Appendix I.

WHEREFORE, FPL respectfully petitions the Commission to approve the conservation cost recovery factors shown on Appendix I, to be effective starting with meter readings scheduled to be read on or after April 1, 1996 through March 31, 1997, and to continue in effect thereafter until modified by the Commission.

Respectfully submitted,

STEEL HECTOR & DAVIS
