**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION
DOCKET NO. 950495-WS**

NOTICE TO CUSTOMERS OF APPROVAL OF INTERIM RATES

Application by Southern States Utilities, Inc. for rate increase and increase in service availability charges for Orange-Osceola Utilities, Inc. in Osceola County and in Bradford, Brevard, Charlotte, Citrus, Clay, Collier, Duval, Highlands, Lake, Lee, Marion, Martin, Nassau, Orange, Osceola, Pasco, Putnam, Seminole, St. Johns, St. Lucie, Volusia and Washington Counties.

Dated: January, 1996

Dear Customer:

On June 28, 1995, SOUTHERN STATES UTILITIES, INC. ("SSU") filed an application for increased water and wastewater rates and service availability charges ("Application") with the Florida Public Service Commission ("Commission"). On August 2, 1995, the Commission accepted SSU's Application as complete. SSU's Application included a request for interim revenues which are revenues to be collected subject to refund pending a final decision by the Commission. The Commission denied SSU's initial request for interim revenues on October 6, 1995. Thereafter, SSU filed supplemental information to support its interim and final rate requests.

On January 4, 1996, the Commission approved an interim revenue increase based on the supplemental information provided. The interim rates approved by the Commission to permit SSU to recover the additional revenue, along with your current rates, are provided on the schedule set forth on the back of this page. Please be advised that the interim rates will be effective for service rendered on or after January 23, 1996. As indicated above, the Commission may order a refund, with interest, of any interim revenues which are collected that may exceed the final revenues authorized by the Commission at the conclusion of this case. The Commission is currently scheduled to vote on SSU's final revenue and rate requests on July 31 and August 15, 1996.

The interim rates the Commission approved for those communities which were included in SSU's 1992 Consolidated Rate Case, Commission Docket No. 920199-WS, are designed using a modified stand alone rate structure rather than the uniform rate structure currently in effect. SSU has requested that uniform rates be re-instituted at the conclusion of this case and has requested that the Commission reconsider its October 1995 Order in Docket No. 920199-WS to replace uniform rates with modified stand alone rates.

If you have any questions concerning your bill or this notice, please call our Customer Service Representatives at (407) 880-0100 or toll-free at (800) 432-4501 between the hours of 7:00 a.m. and 8:00 p.m. weekdays.

Written comments to the Commission regarding SSU, its rates or service may be directed to the following address: Director, Division of Records and Reporting, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850. Such correspondence should refer to "Docket No. 950495-WS: Application by Southern States Utilities, Inc. for rate increase and increase in service availability charges." You may also call the Commission's Division of Consumer Affairs at the following toll-free number: 1-800-342-3552.
