ORDER INDICATING NONJURISDICTIONAL STATUS  
OF MILL CREEK MIGRANT LABOR CAMP

BY THE COMMISSION:

On December 4, 1995, Mill Creek Migrant Labor Camp (Mill Creek or Camp) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Mill Creek, which provides water service to a farm, is owned by Dimare Homestead, Inc. (Dimare). The Camp is located at 3900 29th Street East, Ellenton, Manatee County, Florida. Mr. Anthony J. Dimare, Treasurer of Dimare, filed the application on behalf of Mill Creek. The primary contact person is Ms. Joan E. Sheffield.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Mill Creek's application, water service is provided only to the farm located at 3900 29th Street East, Ellenton, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Sheffield acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Mill Creek is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Mill Creek is not subject to this Commission's jurisdiction. However, the owner of Mill Creek or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Mill Creek Migrant Labor Camp, Post Office Box 967, Ruskin, Florida 33570, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket shall remain open to process additional applications.

By ORDER of the Florida Public Service Commission, this 31st day of January, 1996.
