STAFF'S PREHEARING STATEMENT

Pursuant to Orders No. PSC-95-1083-PCO-TP, issued August 30, 1995, and PSC-96-0137-PCO-TP, issued January 31, 1996, the Staff of the Florida Public Service Commission files its Prehearing Statement.

- A. All Known Witnesses: Staff does not intend to sponsor a witness at this time.
- B. All Known Exhibits: Staff has not yet identified a tentative list of exhibits which it intends to utilize in this proceeding. Staff will supply a tentative list of such exhibits at or prior to the Prehearing Conference.
- C. Staff's Statement of Basic Position:

As envisioned by the statute, each local exchange company, upon request, shall unbundle network features, functions, and capabilities, including access to signalling databases, systems, and routing processes. These unbundled elements should be offered to any telecommunications provider requesting such features, functions and capabilities for resale to the extent technically and economically feasible. Staff does not consider currently tariffed items to be unbundled elements but rather items to be unbundled.

D.-G. Staff's Position on the Issues:

ISSUE 1: What elements should be made available by United/Centel and GTEFL to MFS-FL on an unbundled basis (e.g. link elements, port elements, loop concentration, loop transport)?
