Dear Director:

On Feb. 10, 1996, my wife & I received a NOTICE OF APPLICATION FOR EXTENSION OF SERVICE AREA.

We live at Spruce Creek South in Marion County.

We are presuming that the developer wants to have all owners in the early phases of this development, that are now on septic systems, to be forced to be hooked up to his sewerage system.

The sewerage plant puts out a very offensive odor, when the wind is right, to certain areas of this development. This is very embarrassing to us when we have company visiting. The developer has been constantly advised of this but will not do anything to improve the system.

My wife & I do not wish to be hooked up to a sewerage system. Our present septic is adequate.

We also do not need a so called double water bill. We do not have two meters, one for house & one for sprinkler system. Therefore, we would have to pay sewerage for all water going into ground from a sprinkler system. This benefits the developer only, certainly not the residents.

Thank you for considering our plea.

Very truly yours,

Colin & Sharon Campbell, Jr.
