RULES AND REGULATIONS

1.0 POLICY DISPUTE - Any dispute between the Company and the customer or prospective customer regarding the meaning or application of any provision of this tariff shall upon written request by either party be resolved by the Florida Public Service Commission.

2.0 GENERAL INFORMATION - The Company's Rules and Regulations, insofar as they are inconsistent with any Statute, Law, Rule or Commission Order shall be null and void. These Rules and Regulations are a part of the rate schedules and applications and contracts of the Company and, in the absence of specific written agreement to the contrary, apply without modifications or change to each and every customer to whom the Company renders water service.

In the event that a portion of these Rules and Regulations are declared unconstitutional or void for any reason by any court of competent jurisdiction, such decision shall in no way affect the validity of the remaining portions of the Rules and Regulations for water service unless such court order or decision shall so direct.

The Company shall provide to all customers requiring such service within the territory described in its certificate upon such terms as are set forth in this tariff pursuant to Chapter 25-9 and 25-30, Florida Administrative Code, and Chapter 367, Florida Statutes.

3.0 SIGNED APPLICATION REQUIRED - Water service is furnished only after a signed application or agreement and payment of the initial connection fee is accepted by the Company. The conditions of such application or agreement is binding upon the customer as well as upon the Company. A copy of the application or agreement for water service accepted by the Company will be furnished to the applicant on request.

The applicant shall furnish to the Company the correct name and street address or lot and block number at which water service is to be rendered.

4.0 APPLICATIONS BY AGENTS - Applications for water service requested by firms, partnerships, associations, corporations, and others shall be rendered only by duly authorized parties. When water service is

rendered under agreement or agreements entered into between the Company and an agent of the principal, the use of such water service by the principal shall constitute full and complete ratification by the principal of the agreement or agreements entered into between the agent and the Company and under which such water service is rendered.

- 5.0 WITHHOLDING SERVICE - The Company may withhold or discontinue water service rendered under application made by any member or agent of a household, organization, or business unless all prior indebtedness to the Company of such household, organization, or business for water service has been settled in full in accordance with Rule 25-30.320, Florida Administrative Code.

Service may also be discontinued for any violation made by the Customer or Consumer of any rule or regulation set forth in this tariff.

- 6.0 EXTENSIONS - Extensions will be made to the Company's facilities in compliance with Commission Rules and Orders and the Company's tariff.

- 7.0 LIMITATION OF USE - Water service purchased from the Company shall be used by the customer only for the purposes specified in the application for water service and the customer shall not sell or otherwise dispose of such water service supplied by the company.

Water service furnished to the customer shall be rendered directly to the customer through the Company's individual meter and may not be remetered by the customer for the purpose of selling or otherwise disposing of water service to lessees, tenants, or others and under no circumstances shall the customer or customer's agent or any other individual, association or corporation install meters for the purpose of so remetering said water service.

In no case shall a customer, except with the written consent of the company, extend his lines across a street, alley, lane, court, property line, avenue, or other way in order to furnish water service to the adjacent property through one meter even though such adjacent property may be owned by him. In case of such unauthorized extension, remetering, sale, or disposition of service, the customer's water service will be subject to discontinuance until such unauthorized extension,

remetering, sale or disposition of service is discontinued and full payment is made to the Company for water service rendered by the Company (calculated on proper classification and rate schedules) and until reimbursement in full is made in full to the Company for all extra expenses incurred for clerical work, testing, and inspections.

- 8.0 CONTINUITY OF SERVICE - The company will at all times use reasonable diligence to provide continuous water service and, having used reasonable diligence, shall not be liable to the customer for failure or interruption of continuous water service. The Company shall not be liable for any act or omission caused directly or indirectly by strikes, labor troubles, accidents, litigations, breakdowns, shutdowns for emergency repairs, or adjustments, acts of sabotage, enemies of the United States, Wars, United States, State, Municipal or other governmental interference, acts of God or other causes beyond its control.

If at any time the Company shall interrupt or discontinue its service, all customers affected by said interruption or discontinuance shall be given not less than 24 hours written notice.

- 9.0 TYPE AND MAINTENANCE - The customer's pipes, apparatus and equipment shall be selected, installed, used and maintained in accordance with standard practice and shall conform with the Rules and Regulations of the Company and shall comply with all Laws and Governmental Regulations applicable to same. The Company shall not be responsible for the maintenance and operation of the customer's pipes and facilities. The customer expressly agrees not to utilize any appliance or device which is not properly constructed, controlled and protected or which may adversely affect the water service; the Company reserves the right to discontinue or withhold water service to such apparatus or device.

- 10.0 CHANGE OF CUSTOMER'S INSTALLATION - No changes or increases in the customer's installation, which will materially affect the proper operation of the pipes, mains, or stations of the Company, shall be made without written consent of the Company. The customer shall be liable for any change resulting from a violation of this Rule.

- 11.0 INSPECTION OF CUSTOMER'S INSTALLATION - All customer's water service

installations or changes shall be inspected upon completion by a competent authority to ensure that the customer's piping, equipment, and devices have been installed in accordance with accepted standard practice and local Laws and Governmental Regulations. Where Municipal or other Governmental inspection is required by local Rules and Ordinances, the Company cannot render water service until such inspection has been made and a formal notice of approval from the inspecting authority has been received by the Company.

Notwithstanding the above, the Company reserves the right to inspect the customer's installation prior to rendering water service, and from time to time thereafter, but assumes no responsibility whatsoever for any portion thereof.

- 12.0 PROTECTION OF COMPANY'S PROPERTY - The customer shall exercise reasonable diligence to protect the Company's property on the customer's premises and shall knowingly permit no one, but the Company's agents or persons authorized by law, to have access to the Company's pipes and apparatus.

In the event of any loss or damage to property of the Company caused by or arising out of carelessness, neglect, or misuse by the customer, the cost of making good such loss or repairing such damage shall be paid by the customer.

- 13.0 ACCESS TO PREMISES - The duly authorized agents of the Company shall have access at all reasonable hours to the premises of the customer for the purpose of installing, maintaining, inspecting, or removing the Company's property; reading the meter; or for performance under or termination of the Company's agreement with the customer and under such performance shall not be liable for trespass.

- 14.0 RIGHT OF WAY OR EASEMENTS - The customer shall grant or cause to be granted to the Company, and without cost to the Company, all rights, easements, permits, and privileges which are necessary for the rendering of water service.

- 15.0 BILLING PERIODS - Bills for water service will be rendered - Monthly, Bimonthly, or Quarterly - as stated in the rate schedule and shall

become due when rendered and be considered as received by the customer when delivered or mailed to the water service address or some other place mutually agreed upon. Non-receipt of bills by the customer shall not release or diminish the obligation of the customer with respect to payment thereof.

- 16.0 DELINQUENT BILLS - Bills are due when rendered. However, the Company shall not consider the customer delinquent in paying any bill until the twenty-first (21) day after the Company has mailed or presented the bill to the customer for payment. Water service may then be discontinued only after the Company has mailed or presented within five (5) working days a written notice to the customer in accordance with Rule 25-30.320, Florida Administrative Code. Water service shall be restored only after the Company has received payment for all past-due bills and reconnect charges from the customer.

There shall be no liability of any kind against the Company for the discontinuance of water service to a customer for that customer's failure to pay the bills on time.

Partial payment of a bill for water service rendered will not be accepted by the Company, except by the Company's agreement thereof or by direct order from the Commission.

- 17.0 PAYMENT OF WATER AND WASTEWATER SERVICE BILLS CONCURRENTLY - When both water and wastewater service are provided by the Company, payment of any water service bill rendered by the Company to a customer shall not be accepted by the Company without the simultaneous or concurrent payment of any wastewater service bill rendered by the Company. The Company may discontinue both water service and wastewater service to the customer's premises for non-payment of the water service bill or wastewater service bill or if payment is not made concurrently. The Company shall not reestablish or reconnect water service and/or wastewater service until such time as all water and wastewater service bills and all charges are paid.

- 18.0 TAX CLAUSE - A municipal or county franchise tax levied upon a water or wastewater public utility shall not be incorporated into the rate for water or wastewater service but shall be shown as a separate item on the utility's bills to its customers in such Municipality or County.

(Continued from Sheet No. 11.0)

- 19.0 CHANGE OF OCCUPANCY - When a change of occupancy takes place on any premises supplied by the Company with water service, written notice thereof shall be given at the office of the Company not less than three (3) days prior to the date of change by the outgoing customer. The outgoing customer shall be held responsible for all water service used on such premises until such written notice is so received by the Company and the Company has had reasonable time to discontinue the water service. However, if such written notice has not been received, the application of a succeeding occupant for water service will automatically terminate the prior account. The customer's deposit may be transferred from one service location to another, if both locations are supplied water service by the Company; the customer's deposit may not be transferred from one name to another.

Notwithstanding the above, the Company will accept telephone orders, for the convenience of its customer's, to discontinue or transfer water service from one service address to another and will use all reasonable diligence in the execution thereof. However, oral orders or advice shall not be deemed binding or be considered formal notification to the Company.

- 20.0 UNAUTHORIZED CONNECTIONS - WATER - Connections to the Company's water system for any purpose whatsoever are to be made only by employees of the Company. Any unauthorized connections to the customer's water service shall be subject to immediate discontinuance without notice. Water service shall not be restored until such unauthorized connections have been removed and until settlement is made in full to the Company for all water service estimated by the Company to have been used by reason of such unauthorized connection.
- 21.0 METERS - All water meters shall be furnished by and remain the property of the Company and shall be accessible and subject to its control. The customer shall provide meter space to the Company at a suitable and readily accessible location within the premises to be served and also provide adequate and proper space for the installation of the meter and other similar devices.
- 22.0 ALL WATER THROUGH METER - That portion of the customer's installation for water service shall be so arranged to ensure that all water service

shall pass through the meter. No temporary pipes, nipples or spaces are permitted and under no circumstances are connections allowed which may permit water to by-pass the meter or metering equipment.

- 23.0 ADJUSTMENT OF BILLS - When a customer has been overcharged or undercharged as a result of incorrect application of the rate schedule, incorrect reading of the meter, incorrect connection of the meter, or other similar reasons, the amount may be credited or billed to the customer as the case may be pursuant to Rule 25-30.350, Florida Administrative Code.
- 24.0 ADJUSTMENT OF BILLS FOR METER ERROR - When meter tests are made by the Commission or by the Company, the accuracy of registration of the meter and its performance shall conform with Rule 25-30.262, Florida Administrative Code and any adjustment of a bill due to a meter found to be in error as a result of any meter test performed whether for unauthorized use or for a meter found to be fast, slow, non-registering, or partially registering, shall conform with Rule 25-30.340, Florida Administrative Code.
- 25.0 METER ACCURACY REQUIREMENTS - All meters used for measuring quantity of water delivered to a customer shall be in good mechanical condition and shall be adequate in size and design for the type of service which they measure. Before being installed for the rendering of water service to a customer, every water meter, whether new, repaired, or removed from service for any cause, shall be adjusted to register within prescribed accuracy limits as set forth in Rule 25-30.262, Florida Administrative Code.
- 26.0 FILING OF CONTRACTS - Whenever a Developer Agreement or Contract, Guaranteed Revenue Contract, or Special Contract or Agreement is entered into by the Company for the sale of its product or services in a manner not specifically covered by its Rules and Regulations or approved Rate Schedules, a copy of such contracts or agreements shall be filed with the Commission prior to its execution in accordance with Rule 25-9.034 and Rule 25-30.550, Florida Administrative Code. If such contracts or agreements are approved by the Commission, a conformed copy shall be placed on file with the Commission prior to its effective date.

SCHEDULE OF CUSTOMER DEPOSITS

ESTABLISHMENT OF CREDIT - Before rendering water service, the Company may require an applicant for service to satisfactorily establish credit, but such establishment of credit shall not relieve the customer from complying with the Company's rules for prompt payment. Credit will be deemed so established, in accordance with Rule 25-30.311, Florida Administrative Code, if:

- (A) The applicant for service furnishes a satisfactory guarantor to secure payment of bills for the service requested.
- (B) The applicant pays a cash deposit.
- (C) The applicant for service furnishes an irrevocable letter of credit from a bank or a surety bond.

AMOUNT OF DEPOSIT - The amount of initial deposit shall be the following according to meter size:

	<u>Residential</u>	<u>General Service</u>
5/8" x 3/4"	-0-	-0-
1"	-0-	-0-
1 1/2"	-0-	-0-
Over 2"	-0-	-0-

ADDITIONAL DEPOSIT - Under Rule 25-30.311(7), Florida Administrative Code, the Company may require a new deposit, where previously waived or returned, or an additional deposit in order to secure payment of current bills provided. The company shall provide the customer with reasonable written notice of not less than 30 days where such request or notice is separate and apart from any bill for service. The total amount of the required deposit shall not exceed an amount equal to the average actual charge for water service for two monthly billing periods for the 12-month period immediately prior to the date of notice. In the event the customer has had service less than 12 months, the Company shall base its new or additional deposit upon the average actual monthly billing available.

INTEREST ON DEPOSIT - The Company shall pay interest on customer deposits pursuant to Rule 25-30.311(4) and (4a). The rate of interest is 8% per annum. The payment of interest shall be made once each year as a credit on regular bills or when service is discontinued as a credit on final bills. No customer depositor will receive interest on his or her deposit until a customer relationship and the deposit have been in existence for at least six (6) months. At such time, the customer depositor shall be entitled to receive interest from the day of the commencement of the customer relationship and placement of the deposit. The Company will pay or credit accrued interest to the customers account during the month of N/A each year.

REFUND OF DEPOSIT - After a residential customer has established a satisfactory payment record and has had continuous service for a period of 23 months, the Company shall refund the customer's deposit provided the customer has not, in the preceding 12 months:

- (a) made more than one late payment of the bill (after the expiration of 20 days from the date of mailing or delivery by the Company),
- (b) paid with a check refused by a bank,
- (c) been disconnected for non-payment, or
- (d) at any time tampered with the meter or used service in a fraudulent or unauthorized manner.

Notwithstanding the above, the Company may hold the deposit of a non-residential customer after a continuous service period of 23 months and shall pay interest on the non-residential customer's deposit at the rate of 9% per annum upon the retainment of such deposit.

Nothing in this rule shall prohibit the Company from refunding a customer's deposit in less than 23 months.
