RE: DOCKET NO. 950495-WS - Application for rate increase and increase in service availability charges by Southern States Utilities, Inc. for Orange-Osceola Utilities, Inc. in Osceola County, and in Bradford, Brevard, Charlotte, Citrus, Clay, Collier, Duval, Highlands, Lake, Lee, Marion, Martin, Nassau, Orange, Osceola, Pasco, Putnam, Seminole, St. Johns, St. Lucie, Volusia, and Washington Counties.

Issue 1: Recommendation that SSU's motion for reconsideration be denied because SSU has failed to meet the standard for reconsideration. Order No. PSC-95-1503-CFO-WS does not contain a mistake of fact or law. Oral argument should not be heard on this motion as it was not requested and is not necessary. However, the Commission should acknowledge that SSU has served a partial response to Interrogatory No. 241 on OPC, and that, because OPC has not indicated otherwise by way of a response to the instant motion for reconsideration, it appears that OPC is satisfied with that response.

**APPROVED**

Issue 2: Recommendation that this docket remain open in order to process the utility's application.

**APPROVED**
