March 4, 1996

Staff recommends that the order require the current owner, or successors, of Manatee Oil to notify the Commission within 30 days of any change in circumstances or method of operation of the water system at 835 - 301 Boulevard East in Bradenton, Florida so that its exempt status may be reevaluated.

The docket should remain open to process additional applications resulting from Resolution No. R-95-109 by the Board of County Commissioners of Manatee County.
