RE: Complete Food, Inc.

To Whom It May Concern:

I have enclosed your required application for exemption for the above referenced project. I was unaware of the new regulations and requirements for well permits and have a completion date of April 1 for this project.

My well permit with the Southwest Florida Water Management District needs your release before the permit can be issued. If possible, please expedite this application ASAP.

If you have further questions, please feel free to call.

Thank you,

Michael W. Ritzie
