RE: DOCKET NO. ~~960001-EI~~ - FUEL ADJUSTMENT

FPSC-RECORDS/REPORTING

On February 13, 1996, Gulf Power Company filed a Notice of Intent to Request Confidential Classification of the documents supporting the company's response to Item 4 of Staff's First Set of Interrogatories. That document has been identified as DN 01690-96. The information was not entered in the record during the hearing and is no longer needed; therefore please return this information to Gulf Power Company.

I was advised by Russell Badders, one of Gulf's attorneys, that the company would retain this information at its corporate office and the office of Beggs and Lane. If you have any questions, please contact me.
