RE: DOCKET NO. 95100-11 - Petition by residents of North Golden Gates and Corkscrew to move from Immokalee exchange into Naples exchange.

Issue 1: Recommendation that the 218 subscribers of the North Golden Gate and Corkscrew areas should be surveyed to determine if they are in favor of moving from the Immokalee exchange into the Naples exchange at the rates listed in Table A of staff's memorandum dated March 7, 1996. In addition to an increase in rates due to moving from the Immokalee exchange to the Naples exchange, residential and business customers residing in these two areas will pay a monthly additive of \$3.35 over a ten-year period to recover the cost. Any new subscribers served in this portion of the exchange during the first ten years after the boundary change is implemented should also pay the monthly additive for the remainder of the ten-year period.

The survey should be conducted within 45 days from the date the order from this recommendation becomes final. The ballot should include the amount of the additive, how long the additive will be applicable, change in rates, change in telephone number, and change in calling scope. The survey letter and ballot should be submitted to staff for review prior to distribution to United's customers.

In order for the survey to pass, at least 60% of the 218 subscribers balloted must respond and, of those responding, at least 50% must vote in favor of the boundary change.
