DOCKET NO. 941281-TL  
ORDER NO. PSC-95-1158-PCO-TL  
ISSUED: September 19, 1995

---

SUPPLEMENT TO PREHEARING STATEMENT  
OF  
SUBSCRIBERS OF THE GROVELAND EXCHANGE

Pursuant to Rule 25.22.038(3), Florida Administrative Code, and the Order Establishing Procedure of September 19, 1995, the following supplement is provided to the Prehearing Statement of Subscribers of the Groveland Exchange:

(d) ISSUES. With regard to Issue Number 3 set forth in the Order Modifying Procedural Schedule and Establishing Preliminary List of Issues dated February 8, 1996, the subscribers of the Groveland exchange cannot determine the economic impact of each plan on the customer and company as no potential additives, rates or charges have been proposed, and therefore the subscribers take no position on that issue at this time.

With regard to Issue Number 4 set forth in the Order Modifying Procedural Schedule and Establishing Preliminary List of Issues dated February 8, 1996, the subscribers of the Groveland exchange cannot determine the economic impact of each plan on the customer and company as no additive has been proposed as a prerequisite to surveying. Therefore the subscribers cannot at this time take a position with regard to whether that is appropriate and if so how much and how long it should last.

With regard to Issue Number 5 set forth in the Order Modifying Procedural Schedule and Establishing Preliminary List of Issues dated February 8, 1996, the subscribers of the Groveland exchange cannot determine the economic impact of each plan

on the customer and company as no rates or charges for the plan to be implemented have been proposed. The subscribers cannot determine the appropriateness of those rates or charges and therefore would take no position at this time.
