Dear Ms. Tomlinson:

I am writing in regards to your letter dated February 9, 1996, RE: Docket No. 951235-WS, requesting verification of our Corporate name on the application for exemptions under the non-jurisdictional entities Section 367.021(12) F.S. Rule 25-30.060(3) (J).

As noted on our application the name of our system was listed as, Turner Foods Corporation Manatee Citrus Grove.

The Grove's name followed our Corporate name as we have several locations throughout the state and thought that by listing this location it may prevent confusion amongst our other Grove sites.

The Limited Use Public Water System Operating Permit for this site is listed as Turner Foods Corporation. Thus we are requesting that corrections be made to our application and that the name of our system be listed as Turner Foods Corporation.

ACK \_\_\_\_\_ I apologize for the inconvenience and hope that this matter is resolved.
