

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

NOTICE OF WORKSHOP

TO ALL INTERESTED PERSONS

UNDOCKETED

IN RE: REVIEW OF RULES 25-6.022 AND 25-6.052 THROUGH 6.058, F.A.C., WHICH CONCERN THE TESTING OF METERS USED TO MEASURE THE CONSUMPTION OF ELECTRICITY.

ISSUED: March 27, 1996

NOTICE is hereby given that at the following time and place the staff of the Florida Public Service Commission will conduct a workshop concerning the above subject:

10:00 a.m., Monday, April 22, 1996  
Room 171 - Betty Easley Conference Center  
4075 Esplanade Way  
Tallahassee, Florida

PURPOSE: The purpose of the workshop is to discuss what changes to Rules 25-6.022 and 25-6.052 through 6.058, F.A.C., if any, should be recommended to the Commission for proposal based on the 1995 version of the American National Standard Code for Electric Meters (ANSI standards). In addition, information will be gathered concerning whether the meter testing rules require modification to reflect current technology and industry practices. Finally, the current data retention requirements in Rule 25-6.022 will be addressed to determine whether the requirements should be changed. All interested persons should come prepared to discuss the above items.

A copy of the workshop agenda and staff's current draft of rule amendments may be obtained by contacting Sid Matlock of the Commission's Division of Electric and Gas at (904) 413-6660.

Any person requiring some accommodation at this workshop because of a physical impairment should call the Division of Records and Reporting at (904) 413-6770 at least five calendar days prior to the workshop. Any person who is hearing or speech impaired should contact the Florida Public Service Commission by using the Florida Relay Service, which can be reached at 1-800-955-8771 (TDD).
