RE: BEL-SAVE, INC. (TI417)

Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. Bel-Save, Inc. responded saying that their name has changed and enclosed copy of certificate from the Florida Department of State which changed their name.

Forwarding copy of my "updated information" for your information, since there has not been a docket opened requesting a name change. Also am forwarding the information that they had attached to my letter for your information and further handling.

Please check into this for us, as we will need to have a docket opened for an order to be issued to grant the name that they are showing. Until that is done the name will remain as we currently have it listed.

Thanking you in advance.
