Subject: Withdrawal of Personal Paging Service Tariff Changes

Dear Mr. D'Haeseleer:

Please accept this letter as our request to withdraw the tariff changes we filed to remove the Tone & Voice option for Personal Paging Service (PPS) on February 19, 1996. Tariff number T960104 was assigned by the FPSC to this item, which was set for Commission approval at the April 16, 1996 agenda. From discussions with FPSC staff, we have decided that it would be more appropriate to withdraw all references to personal paging services from our tariff because our paging investment is being sold to another company.

If you have any questions or concerns regarding Northeast Florida Telephone Company's request to withdraw the current tariff filing changes for Personal Paging Service (PPS), please do not hesitate to contact me at (904)259-2261, extension 107. Thank you for your assistance in this matter.
