Dear Mr. Stover:

Re: Docket No. 960320-WS, Request for exemption from Florida Public Service Commission regulation for provision of water and wastewater service in Volusia County by Anatole Apartments.

On March 11, 1996, the Commission received the above referenced request which was filed on your behalf by Mr. John Ramsey of Envirotech. The Florida Department of State, Division of Corporations, indicates that Mid-America Apartment Communities, Inc., is properly registered to do business in the State of Florida as a foreign corporation. However, there is no listing for Anatole Apartments as a fictitious name for Mid-America. In order to grant an exemption to an entity operating under another name for your corporation, the name must be recorded with the state as a fictitious name.

You may obtain forms to register a fictitious name by calling the Department of State at 904/488-9000. In order to process your application expeditiously, please send four copies of the completed registration form by May 31, 1996 to the:

Director, Division of Records and Reporting
 Florida Public Service Commission
 2540 Shumard Oak Boulevard
 Tallahassee, Florida 32399-0850

STAFF will verify that the form has been filed with the Division of Corporations prior to making a determination in this docket. On the transmittal for the registration form, or any correspondence relating to this application, please clearly indicate the docket number, above, on the transmittal.
