

VOTE SHEET

DATE: April 16, 1996

RE: DOCKET NO. 960230-TP - Investigation to determine if restricting outgoing calls from pay telephone instruments during certain time-of-day periods is in the public interest.

Issue 1: Recommendation that restricting outgoing calls from pay telephone instruments during certain time-of-day periods is not in the public interest. Any local exchange company which offers outgoing call blocking in its tariff should be ordered to delete this option within 15 days of the order becoming final.

DENIED

Alternative Recommendation: Recommendation that restricting outgoing calls from pay telephone instruments during certain time-of-day periods ~~is in~~ the public interest if provided under certain conditions. These conditions should be developed through a rulemaking proceeding for both local exchange company and non-local exchange company pay telephone providers.

MODIFIED

Also, this vote is ^{may be} conditioned on Bell So. representation at the Conference that it will withdraw its tariff. Commissioner Garcia dissents.
