Dear Jackie:

I Appreciate your call on April 17, 1996. And I am responding to it with this letter.

We bought the J & J Water and sewer corp, in November 1995 an abandoned company and we were not aware that this bill was not paid and I am sure that the bill for 1995 has not been paid.

There has not been a rate increase for several years on this water and sewer company. We are applying for a staff assisted rate increase.

The water and sewer Co. has been loosing money for us as of date. We are in a desperate cash flow problem. I am requesting that we be put on a payment plan for the 1994 assessment and the 1995 assessment, and for the payment plan to be extended as long as possible.

I Appreciate your assistance in this matter and I Might add that you and your department has been most helpful to me on our first venture into the sewer and water company.

We will work very closely with you to get all this mess cleaned up and back into working profitable order.

Thank You

  
Paul LaFond
