Amendment of Water and Wastewater Certificates

Dear Ms Bayo:

On April 20, 1996, I received your reply to my
letter of Feb. 19, 1996 regarding the above subject.

Please be advised that in reviewing the letter
dated April 10, 1996, from J. Marshall Deterding
for the law firm of Rose, Sundstrom and
Bentley, I do not feel any further need to
protest the proposed expansion of territory of
Spruce Creek South Utilities.
