ORDER CLOSING DOCKET

BY THE COMMISSION:

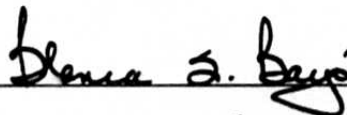

We opened this docket to consider amending Rule 25-9.032, Florida Administrative Code, to require local exchange companies (LECs) to submit tariffs that listed as local exchange exceptions those subscribers who should be provided service from an exchange within which the subscriber was not physically located. Since then, the regulatory directive for telecommunications companies has changed because of the 1995 Florida telecommunications legislation. Due to the new competitive environment, exchange boundaries are expected to evolve over time. Moreover, the 1995 legislation emphasizes streamlined and less burdensome rules for LECs.

For the reasons discussed above, we find this docket shall be closed and Rule 25-9.032 shall not be amended, at this time, to address boundary exceptions.

It is therefore

ORDERED by the Florida Public Service Commission that this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 1st day of May, 1996.
