Re: Florida Cities Water Company  
North Fort Myers Division  
Wastewater Operations  
Docket No. 950387-SU

As requested by the Commission in the recent rate hearing for the referenced docket, I have researched the files of Florida Cities Water Company (FCWC) for an update to the Capacity Analysis Report (CAR) for the Waterway Estates Advanced Wastewater Treatment Plant. To date, the CAR has not been updated since FCWC was in the process of expanding the plant. An update will be provided with the operations permit application for the expanded facility and would be available at that time. FCWC expects to submit the operations permit application by December, 1996.

Should you need any additional information, please contact me.

Sincerely,

Julie L. Karleskint  
Operations Manager
