Dear Ms. Bayo:

On July 3, 1995, the Marco Island Civic Association (MICA) requested that MICA and its Director Kjell W. Pettersen be designated as an intervenor in Marco Island water and sewer rate setting matters. MICA, through Mr. Pettersen, has in fact acted in that capacity since the rate increases were first proposed by SSU.

This case has now moved into another phase here on Marco Island and as a result, MICA now officially resigns as intervenor in this particular rate case.

Sincerely,

Sal G. Marzullo
President
Marco Island Civic Association
