 RE: Deferral of Agenda Item No. ~~4~~, Docket No. 960525-TI, Proposed Amendments to Rule 25-24.471, F.A.C., Application for Certificate

Staff requests that the above referenced item be deferred to allow staff time to also include in the proposed rule amendments which will implement Commission Order No. PSC-95-0203-FOF-TP relating to presubscription of IntraLATA toll calls.

The proposal of the rule has created more confusion within the industry than expected or necessary. Staff believes it would be better to make all proposed changes at one time to avoid further confusion.
