- (B) Envirotech is an independent contractor engaged in the business of installing and servicing water sub-meters, and operating a water and sewer billing service.

FOR VALUABLE CONSIDERATION, THE PARTIES AGREE TO THE FOLLOWING TERMS:

- (1) **EQUIPMENT.** Envirotech shall provide a complete water sub-metering system consisting of a water meter and an external reading device (collectively, the "Equipment"). The price of the Equipment is _____ per unit plus tax for ____ units for a total of _____.
- (2) **MONTHLY BILLING AND REPORTING.** Envirotech shall read each meter on a monthly basis, and shall bill the individuals occupying each Unit ("Resident") for water and sewer for the same monthly cycle based on the rates approved in the Property's Resellers Exemption. Envirotech shall furnish to Owner a composite report of individual Unit water consumption and a breakdown of the corresponding amounts billed. Owner shall use reasonable efforts to timely notify Envirotech of all changes in Resident status caused by move-ins, move-outs or resident transfers.
- (3) **COLLECTION AND SERVICE FEES.** Envirotech shall collect all amounts billed to the Residents for applicable monthly water and sewer. Within forty five (45) days of Envirotech's monthly billing, Envirotech shall distribute to Owner a financial report of all collections and a disbursement check which shall be in the amount equal to all moneys received during such billing cycle from the billing of the Residents for applicable water and sewer, less Envirotech's service fee (as set forth below). Payments delivered to Envirotech shall not be deemed "received" until such time as Envirotech shall have received collected funds.

For purposes hereof, the term "Receipts" shall mean the gross amount received during the applicable billing cycle from Residents for applicable water and sewer.

Envirotech's service fee is _____ per unit per month. The service fee will increase annually based on the Consumer Price Index. Envirotech shall pay Owner 100% of the Receipts collected, less Envirotech's service fee.

- (4) **TERM.** This Agreement shall become effective on the date hereof and shall terminate on _____, _____, unless otherwise terminated as provided by this Agreement. At the initial termination date or any extension of the termination date, this Agreement shall be automatically renewed for an additional one (1) year term unless Owner or Envirotech

gives thirty (30) days prior written notice to the other party of its intention not to renew.

- (5) **REMOVAL OF EQUIPMENT.** Envirotech may repossess and remove all Equipment if the Equipment is not fully paid to Envirotech in accordance with the terms of this Agreement. The cost of the removal and restoration shall be borne by Envirotech. Owner agrees to provide Envirotech with reasonable access to the property for purposes of removing the Equipment.
- (6) **INDEMNIFICATION AGREEMENTS.** Any and all damage to the Property, or any part thereof, caused by Envirotech, its employees, agents, or contractors, shall be repaired promptly by Envirotech at its expense. Envirotech shall hold Owner harmless from, and indemnify Owner against, any and all claims, demands, liabilities, damages, costs, reasonable attorney fees, and suits and actions asserted against, or suffered by Owner arising out of or relating the negligence or intentional acts or omissions of Envirotech, its employees, agents, contractors, or any of them in any combination.

Any damage to the Equipment caused by Owner shall be promptly repaired by Envirotech. Owner shall reimburse Envirotech for its reasonable time and reasonable cost of materials in effecting such repairs.

Owner shall hold Envirotech harmless from and indemnify Envirotech against any and all claims, demands, liabilities, damages, costs, reasonable attorney fees, and suits and actions against, or suffered by Envirotech arising out of or relating to the intentional or negligent acts or omissions of Owner, its officers, directors, shareholders, partners, agents, employees, or any of them in any combination. Envirotech acknowledges that Owner shall not be responsible for the intentional or negligent acts or omissions of any Resident, or any of them in combination.

- (7) **DEFAULT.** If Envirotech defaults in making any payment to owner hereunder when due, or fails to satisfactorily perform any other obligation of Envirotech hereunder, and if Envirotech fails to cure any such default within thirty (30) days after Owner gives written notice to Envirotech of such default, then Owner may terminate this Agreement by giving written notice of termination to Envirotech provided, that Owners shall have no right to terminate this Agreement after the expiration of such thirty day period if the default is cured prior to such termination.

If Owner defaults in making any payment to Envirotech when due, and if Owner fails to cure such default within thirty (30) days after Envirotech gives written notice to Owner of such default, then Envirotech may terminate this Agreement at any time by giving written notice of termination to Owner.
