Re:

Notice of Application for an Extension of Service Area

Park Manor Waterworks, Inc.

Dear Sirs:

The City of Ococe hereby files an objection to the proposed extension of ser ice area.

Our objection is based solely on a lack of information provided by the applicant to us. The notice we received on May 13, 1996 referred to an attached legal description. No legal description of the proposed territory was attached to the notice.

Without any knowledge of the proposed territory limits we must file an objection as a precautionary measure. If a legal description of the proposed territory is provided to us, we will review it for any potential conflicts with our service territory.

Sincerely.

CITY OF OCOEE
