FPL'S Response to Staff's Third Request for Production  
of Documents to Florida Power & Light Company (No. 12)

Florida Power & Light Company hereby responds to Staff's Third Request for Production of Documents to Florida Power & Light Company (No. 12) as follows:

Documents Requested

12. Please replicate the system dispatch runs provided in response to staff request for production #6 with the following modifications:
  - a. Interchange, Schedule R, and Economy ETC purchases should not be identified as a COAL fuel type. Please allow these items to be independent in the base case and the "with Mission" runs.

FPL Response

The system dispatch runs for the two cases (i.e., Base and "with Mission") were replicated, and the computer listings are attached. In the "Fuel Usage - Annual Report," the fuel types pertaining to Economy, Schedule R, and UPS were labeled ECON, SCHR, and UPS, respectively. In addition, a brief description of the methodology used to model these resources is included on the following page entitled "Methodology Used in Modeling UPS, Schedule "R" and Economy."
