Dear Mr. Pace:

Re: Docket No. ~~051235~~ WS, Resolution of Board of County Commissioners of Manatee County declaring Manatee County subject to the provisions of Chapter 367, F.S.

Thank you for your April 1, 1996, letter explaining the utility services being provided by the Gospel Crusade and filing an application for public lodging exemption pursuant to Section 367.022(4), Florida Statutes. Since the church is in the process of connecting to Manatee County's water and wastewater lines, it would seem a waste of time and effort to attempt to process the church for an exemption or for a certificate. Consequently, staff is going to suspend a decision on your application for the time being.

We ask that you notify the Commission when the water connection is completed and activated and also when the wastewater connection is completed and activated. Please refer to the docket file, above, in your notices and send all correspondence through the:
