Gentlemen:

At their May 7, 1996 meeting, the Lake County Board of County Commissioners unanimously approved Resolution 1996-78, requesting the Public Service Commission to consider an Extended Area Service between the Lady Lake area and adjacent areas of Marion County. That resolution is enclosed for your perusal.

Given the explosive growth of the area, with no slow-down forecast, the establishment of non-toll calling capabilities would appear to be the appropriate course of action.

Thank you for your consideration.

Sincerely,

Welton G. Cadwell
Chairman
