Dear Blanca S. Bayo:

960478-TI

We have just received the attached notification of a proposed order to cancel our certificate based on returned mail.

We do not feel this is warranted since we received this notice from your office within three (3) days of your mailing it. You have our correct address and our phone numbers have been the same for four (4) years.

Please advise me as to what I can do to assist in this matter to prevent Network One's certificate from being canceled.

Thank you for your help in this matter.

Sincerely,
