NOTICE OF PROPOSED AGENCY ACTION ORDER
APPROVING BLOCKING OF INCOMING CALLS AT PAY TELEPHONES

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On February 27, 1996, BellSouth Telecommunications, Inc., filed requests for exemptions from Rule 25-4.076(6), Florida Administrative Code, which requires that each telephone station allow incoming calls, for the following pay telephones:

PSC-RECORDS/REPORTING

Rule 25-4.076(6), Florida Administrative Code, requires that pay telephones receive incoming calls unless the instrument is located at a hospital, school, confinement facility, or other location specifically exempted by this Commission. Any requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the owner of the pay telephone location, and the chief of the responsible law enforcement agency, that the request is made to deter criminal activity at that pay telephone.

To facilitate this process, we have approved a form for requesting exemptions. BellSouth Telecommunications, Inc. submitted a Request to Block Incoming Calls form for each pay telephone described above. The forms are signed by a BellSouth Telecommunications, Inc. officer, the pay telephone location owner, and the Orange County Sheriff. All parties believe blocking incoming calls at these pay telephones will deter criminal activity.

Accordingly, we approve BellSouth Telecommunications, Inc.'s requests. Pursuant to Rule 25-4.076(6), Florida Administrative Code, BellSouth Telecommunications, Inc. must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Telecommunications, Inc.'s requests to block incoming calls at the pay telephones described in the body of this Order are approved. It is further

ORDERED that BellSouth Telecommunications, Inc., shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that BellSouth Telecommunications, Inc., shall display a notice on each pay telephone which states, "Incoming calls blocked at the request of law enforcement." It is further

ORDERED that, unless a person whose substantial interests are affected by the action proposed herein files a petition in the form and by the date specified in the Notice of Further Proceedings or Judicial Review, below, this Order will become final and this docket shall be closed.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code.
