Re: Customer Base Acquisition

960745-TI

Dear Sir:

By this letter, TeleCommunication Systems, Inc. d/b/a TCS Network Services ("TCS") and Telecom One, Inc. ("TOI") hereby jointly inform the Florida Public Service Commission ("Commission") that TOI has acquired the Florida customer base of TCS. Both TCS and TOI are certified by the Commission. The Commission granted TCS a certificate to provide interexchange telecommunications service in Docket No. 950723-TI, Order No. PSC-95-1200-FOF-TI, on September 25, 1995. The Commission granted TOI a certificate to provide interexchange telecommunications service in Docket No. 931152-TI, Order No. PSC-94-0178-FOF-TI, on March 8, 1994. TCS is no longer operating as a telecommunications reseller and wishes to cancel its certificate to provide interexchange telecommunications service within the state of Florida.

TCS customers will continue to receive the same or improved services at rates that are equal to or below TCS' rates on file with the Commission. The affected customers initially received a joint notice from TCS and TOI of the pending transfer. A second notice was included in TCS' last month's bill, and a third in TOI's first months' bill.

Any questions regarding this matter may be directed to Todd Lowe of Visiology, Inc. Todd may be reached at (205) 980-8501. So that our records will be complete, I would appreciate it if you would please date-stamp the extra copy of this letter and mail it to me in the envelope provided.

Yours truly,

Maurice B. Tosé
President
