Dear Ms. Bayo:

RE: Docket No. **960749 - TL**Waiver of Rule 25-4.076(6), F.A.C.

Enclosed please find the original and fifteen copies of our request for waiver of Rule 25-4.076(6), F.A.C. which we ask that you file in the above captioned matter.

We request that the pay telephones located at the address below be exempted from the provisions of Rule 25-4.076(6), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The location and numbers of the public telephones are as follows:

151 US Hwy 1 (561) 746-9894 Jupiter, Florida (561) 744-3820 (561) 746-9899

FPSC-RECULUS REPORTING

Ms. Blanca S. Bayo June 20, 1996 Page 2

We apologize for the condition of the forms as they have been faxed several times to obtain signatures. However, due to unusual circumstances at this location, we request that you proceed with the processing of this request using these forms to get this location on the next available agenda. We will obtain the original forms and send them to you as soon as possible.

The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

The location provider for the location identified above has either joined in or agreed to this request for waiver which is attached.

The Commission has previously granted a waiver of this Rule in Order No. 23762, issued November 15, 1990, approving Southern Bell's petition for waiver of the rule for pay telephones located at three laundromats owned by Mr. Patrick Collins in Miami, Florida. The owner had requested blocking of incoming calls to restrict the usefulness of the public phone for drug dealers and prostitutes.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

Janya Lynn YODirector Regulatory Relations
