RE: Docket No. 960602-WS; Request for Exemption from Florida Public Service Commission regulation for provision of water and wastewater service in Palm Beach County by San Marino at TownPlace.

Dear Mr. Ranney:

San Marino at TownPlace's application for exemption from regulation of the Florida Public Service Commission for provision of water and wastewater service requires additional information fulfilling requirements of Chapter 25-30.060(3)(h), F.A.C.

- 1. There appears to be a discrepancy concerning the utility which provides bulk service to the reseller applicant. The original application states that City of Del Ray will be the provider, but subsequent information intimates that City of Boca Raton is in fact the provider for bulk service. A facsimile from City of Boca Raton dated June 7, 1996, illustrating their service prices, is at odds with the information included in the application. Please determine which utility, City of Del Ray or City of Boca Raton, is in fact providing bulk service to San Marino, and revise in toto the provider's and reseller's rates on the Proposed Method of Billing schedule.
- 2. Further explanation of San Marino at TownPlace's/ Envirotech's handling and policy regarding customer deposits.
