Re: Applications for transfer of certificate No. 551-W  
Docket No. 960642-WU

Dear Mr. Coker,

Per your request, we have contacted the former owner of Seven Rivers Utilities, Inc. and inquired as to whether any additional construction or expansion of the utility system has occurred since their last rate case in 1993. In addition, we inquired whether any lines or CIAC has been contributed to the utility since that time. The answer to both questions was no. If we can be of further service, please do not hesitate to call.

Yours truly,

H. Richard Bowles  
Vice President
