====NOTE===== 6/19/96 10:27am=

I just notice this, you may want to change the docket title to incorporate alternative operator service (page 2 of application). I'll contact them and inform them that an ALEC certificate is separate and they will have to submit a new application. Their new number is 941-513-1811 if you need it.

-----  
New docket title: Application for certificate to provide interexchange telecommunications service with alternative operator service by TelQuest Communications, Corp.
