**RE:** REQUEST FOR DEFERRAL ITEM NO. 26 - DOCKET NO. 960613-TL -  
 RESOLUTION BY THE CITY OF ORANGE CITY FOR EXTENDED AREA  
 SERVICE BETWEEN THE ORANGE CITY AND ORLANDO EXCHANGES

This docket is a request for EAS by the City of Orange City. Staff has filed a recommendation consisting of four dockets of which the Orange City request is one. Staff has recommended that the requests for EAS or ECS filed after July 1, 1995, should be denied based on the statutory provisions in Chapter 364, Florida Statutes. The Commission has previously denied such requests.

The City of Orange City sent a fax requesting deferral until the next available date for the following reasons: 1) Mayor Herb Sever and the City Attorney would like the opportunity to appear before the Commission on behalf of the City of Orange City. Since a great deal of time and effort has been invested by the city, they want the opportunity to appear and ensure exhaustion of all possible avenues; 2) the City Council regularly meets every second and fourth Tuesday of each month; and 3) the scheduled docket for June 11, 1996, creates an irreconcilable conflict.

Based on this request, staff recommends that the Commission defer its decision regarding only Docket No. 960613-TL for Item No. 26 for the June 11, 1996 agenda conference. Staff recommends that the Commission vote on this issue regarding Dockets 960612-TL, 960615-TL, and 960632-TL.
