===NOTE=====

Joe, I went back and looked at St. Joe's petition and, as you said, they did ask for revision to method for calculating MACC. I am changing docket title in CMS to:

Petition for approval of modifications to tariff that would add late payment charge to customers' past due balances and revise method for calculating Maximum Allowable Construction Cost (MACC), by St. Joe Natural Gas Company, Inc.

Does that sound okay? If you ever have a question about a docket title that RAR has composed, please let me know. We want them to be correct and complete! Thanks.
