Re: In the Matter of the Interconnection Agreement
Negotiation Between AT&T of the Southern States,
Inc., and BellSouth Telecommunications, Inc.
pursuant to 47 U.S.C. §252

960833-TP

Dear Mrs. Bayo:

Enclosed for filing in the above referenced proceeding are Volumes XIII, XIV, XV and XVI of the supporting documentation for AT&T Communications of the Southern States, Inc.'s Petition for Arbitration under the Telecommunications Act 1996. The information in each volume is considered by AT&T as proprietary and confidential. Pursuant to Section 364.183(1), Florida Statutes, and Rule 25-24.006(5), Florida Administrative Code, AT&T requests that these documents be treated as confidential by the Commission. The documents are highlighted as required by Rule 25-22.006(5). Since all the documents in each volume are deemed proprietary in their entirety, an edited copy is not practicable and has not been filed.

Copies of the foregoing are being served on all parties of record in accordance with the attached Certificate of Service.

Yours truly,

Tracy Hatch
