Re: Docket No. 960803-SU; Application for amendment of Certificate No. 281-S by Bonita Country Club Utilities, Inc. in Lee County.

Dear Mr. Erwin:

After reviewing the application in the above referenced docket, the staff has identified the following deficiencies as well as additional information is needed to process the application.

1. As required by Section 367.045(1)(a), Florida Statutes (F.S.), and Rule 25-30.030, Florida Administrative Code (F.A.C.), the utility must provide notice of the application and provide affidavits that the notice was given. The notice must be given to the governmental entities and all utilities in the county, all cities located in the county, and to each of the customers in the proposed territory. The notice must be published in a newspaper. The application stated that the affidavits of noticing would be a late filed exhibit. Please file the affidavits when the noticing is complete.

2. As required by Rule 25-30.036(3) (p), Florida Administrative Code (F.A.C.), the utility must provide the applicants original Certificate No. 281-S for possible amendment.

3. The manager signed the application. This is not sufficient. As stated on page 7 of the application, "If the applicant is a corporation, the affidavit must be make by the president or other officer authorized by the by-laws of the corporation to act for it. If the applicant is a partnership or association, a member of the organization authorized to make such affidavit shall execute same." If you have any questions, please contact Mr. Charlie Pellegrini at 413-6232.

In addition, please provide additional information about the technical ability of the utility's certified operators who operate the wastewater plant and the engineer who works for the utility.

According to the 1995 annual report filed by the utility, the utility had operating revenues of \$185,132 and a net operating loss of \$3,907. Please file more information on the financial ability of the utility.

Please file an original and twelve copies of the requested information no later than August 12, 1996 with the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399.

If you have any questions please call.

Sincerely,

Richard Redemann, P.E.
