 Application for Increased Wastewater Rates by Florida Cities Water Company--  
 North Fort Myers Division in Lee County.

The Division of Water and Wastewater needs to perform additional analysis of rate base in its recommendation in this docket now scheduled as Item No. 26 for the July 16th Agenda Conference, and is requesting that this item be deferred to the August 13, 1996 Agenda. Legal has contacted the utility, and the utility has waived the 8-month date for implementation of rates through this agenda. Also all OCR's are in agreement that this item should be deferred.
