The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephone at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

The location providers for the location identified above has either joined in or agreed to this request for waiver which is attached.

The Commission has previously granted a waiver of this Rule in Order No. 23762, issued November 15, 1990, approving Southern Bell's petition for waiver of the rule for pay telephones located at three laundromats owned by Mr. Patrick Collins in Miami, Florida. The owner had requested blocking of incoming calls to restrict the usefulness of the public phone for drug dealers and prostitutes.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

  
for Director - Regulatory Relations
