Re: Docket No. 950495-WS  
Application of Southern States Utilities

Dear Mr. Feil:

This letter is to confirm our recent conversation regarding the status of hearing Exhibit 146 which was presented by the Office of Public Counsel during cross-examination of Dale Lock. The parties indicated that the exhibit contained salary, bonus and incentive information for SSU executives, and that it had been granted confidential status pursuant to a temporary protective order.

As we discussed, the Commission's temporary protective orders and Rule 25-22.006(5)(a) and (c), Florida Administrative Code, require that once the Office of Public Counsel gives notice that it intends to use the material, the utility must request a permanent protective order requesting confidential status within 14 days. SSU has not requested confidential treatment of the materials contained in Exhibit 146. Therefore, this letter is

ACK \_\_\_\_\_ to confirm that Exhibit 146 should no longer be afforded confidential status.
