Re: Docket No. 960444-WU - Application for rate increase and for increase in service availability charges in Lake County by Lake Utility Services, Inc.

Dear Mr. Melson:

This is to advise you that Commission staff reviewed and approved the combined notice of application and initial customer meeting, as well as the rate case synopsis for the referenced docket. The only required change is that the customer meeting date should specify September 5, 1996.

If you have any questions, please call me at (904) 413-6181.

Sincerely,
