Pursuant to the instructions of your office, enclosed for filing with the Commission, please find the original and six (6) copies of Network Multi-Family Security Corporation's ("Network") Application Form for Authority to Provide Alternative Local Exchange Service within the State of Florida. Additionally, we have enclosed a company check in the amount of \$250.00 made payable to the Florida Public Service Commission which should cover the filing fee for this document.

Upon review of the application of Network Multi-Family Security Corporation, you will notice that we have not enclosed a copy of a local exchange tariff for our company. As we were informed by Wayne in the tariff division of the Commission, we are submitting our application without our tariff and will present it to the Commission before final approval of our application form.

If you have any questions or need additional information, please do not hesitate to contact myself at 800-645-2004 or Stephen D. Parker, General Counsel, at the number listed below. Thank you for your assistance with this matter.
